What Is Zero Day?

More than a society A cyber mindset.

- A student-led cybersecurity community at LSBU
- Focused on awareness, fundamentals, and real-world thinking
- Built for beginners, explorers, and future professionals

Accessible · Practical · Student-first

EST 1892 LSBU

Why We Exist

Because security starts with understanding.

Cybersecurity isn't just for experts. It's for everyone who uses the internet. We make cyber simple, relevant, and real.

Phishing · Privacy · Digital Safety · Mindset

EST 1892 LSBU

What We Do

Learn. Engage. Apply.

- Awareness Sessions—online safety, scams, digital hygiene
- Workshops & Events – hands-on, discussion-based learning
- Community Conversations—sharing ideas, experiences, pathways

Accessible · Practical · Student-first
